Re: compensation portfolio  
request for payment

Judge Steven Rhodes  
United States Bankruptcy Court  
Eastern District of Michigan  
211 West Fort Street  
Detroit, Michigan, 48226

Dear Jones Day;

As a long time resident of the CITY of DETROIT I am a secured creditor. Enclosed find documents that substantiate the claim that I have against the CITY. My intent is to provide background, clarity and closure for this matter.

The claim stems from a group of teachers and community activists who come together to build a structure for an education center created to tutor mathematics after school, on Saturdays and during the summer to Detroit's youth.

The building at 320 Mack was torn down without the CITY following the proper-lawful procedures, without notifying us nor providing us with Just Compensation.

We need for the CITY to satisfy i.e. make good on the claim by forwarding to us a cashable check in the amount of eight million dollars. The injury was in the area of Building Rehabilitation and Losses and Community Impact.

You may contact us if you have questions and further explanation on this subject. Please make the check payable to: Deborah Lela Moore  
4436 Lemay, Detroit, Michigan, 48214.

Sincerely,  
*all rights reserved at Common Law*
